

ENGG 1130 Multivariable Calculus for Engineers

Updates on Submission of HW Assignments (Updated on 13 Feb 2020)

General Instructions for HW Submission (on Blackboard)

For Homework 2 onwards, students should submit the softcopy of their HW answers on **Blackboard System** on or before the due date. Please note the following points:

- (1) Students should state clearly their **full name** (on HK Identity Card / Student ID Card), **10-digit University ID**, as well as their **class (e.g., 1130 A)** on the first page of the submitted script.
- (2) **ONLY a clearly written (then scanned) or typed doc/docx or pdf file** will be graded. Students are reminded to combine everything into **one file** in an organized manner.
- (3) Students should attach the “**Declaration Form**” on the front cover of their submitted HW for “Academic Honesty” purposes.
- (4) All students can update his/her scripts as many times as he/she wishes before the due date.
- (5) If students cannot find a scanner, they are allowed to take photos of their own scripts and submit online via the Blackboard system, however they must ensure that the photos are of sufficiently high resolution, so that all characters are clearly visible to graders.
- (6) Students who are caught “**Plagiarism**” in HW assignments will be sent directly to the Faculty Disciplinary Committee. **ZERO TOLERANCE** will be allowed.
